**Requirements: all burning must take place during the time-period of one hour before sunrise to one hour before sunset. Winds must not take smoke over roads or toward human habitation. All burning must cease if atmospheric conditions create smoke stagnation or a dangerous condition which may spread the fire. Material to be burned must be dry and the amount of dirt on material to be burned must be minimized. No natural or synthetic rubber or petroleum products may be burned. The Fire Department must be notified at the start of the burn and upon completion. The burn MUST be attended at all times. The property owner and the individual conducting the burn will be held legally and financially accountable for any fire spread or damage resulting from the burn.**

The department reserves the right to cancel this request at any time if the public interest warrants it. The holder of this permit is therefore cautioned and charged that he/she alone assumes full responsibility to exercise the utmost care and judgment before igniting fires. Cimarron Fire Department hereby disclaims any and all liability of itself or its' agents that might be incurred by the petitioner's acts.
